

PRAZ QUALITY POLICY STATEMENT

PRAZ is committed to providing quality regulatory services by facilitating and ensuring the implementation of an efficient and effective public procurement and asset disposal system that exceeds the expectations of clients and stakeholders. We are committed to meeting the requirements of **ZWS ISO 9001:2015**, satisfying our interested parties and applicable statutory requirements.

The **Quality Management System** is reviewed periodically for effectiveness, adequacy and continued suitability and its ability to meet our strategic objectives. PRAZ is committed to consistently achieve its mandate through continual improvement of existing processes, systems and analyzing methodologies in accordance with **ZWS ISO 9001:2015** and in line with the changing expectations of our clients and stakeholders through:

- a. Establishing, monitoring, evaluating and reviewing the quality management system,
- b. Identifying and addressing risks and opportunities that can affect the ability to maintain QMS integrity and conformity to requirements,
- c. Source, train, retain competent and committed professional personnel with integrity and
- d. Embrace new innovations and cutting-edge technology in all its operations.

PRAZ is committed to ensure client, stakeholder and employee satisfaction.
