Goods which do not bear our official order number will be rejected.

TERMS AND CONDITIONS

1. Time is of the essence with respect to delivery of Goods and performance of services.
2. The buyer shall be entitled to return rejected Goods to supplier at supplier's expense and risk. Suppliers shall remedy defective works or services at own expense as specific performance.
3. Suppliers shall bear the cost of transactions so incurred if they supply wrong account numbers.
4. Suppliers are implicitly considered to warrant the buyer that products offered are of merchantable quality, fit for the purposes intended, free from defects in design, material and workmanship, in strict compliance with the specifications, and in conformance with the samples provided to buyer or by the buyer.
