RE: REQUEST FOR REVIEW BY THE SPECIAL PROCUREMENT OVERSIGHT COMMITTEE (SPOC): TENDER NO. UBH/FRAM13/2024-RT SUPPLY AND DELIVERY OF SUTURES FOR THROUGH FRAMEWORK AGREEMENTS AND SUBSEQUENT CALL OFF CONTRACTS

Your minute dated 02 October 2024 refers.

At the Special Procurement Oversight Committee (SPOC) Round Robin Meeting of 03 October 2024, Members observed the following: -

- The Accounting Officer adopted the Framework Agreement Method on a tender for the Supply And Delivery Of Suture, in line with section 21(2) and section 30 of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23] as read with section 11 of the PPDPA (General) Regulations whereby suppliers will be engaged through call-off orders on an as and when required basis at varying prices, for a duration of three (3) year.
- The tender was advertised in line with section 38 (2) of the PPDPA Act and 5 x bidders participated in the process.
- The Accounting Officer was recommending to enter into Framework Agreements and Call Off Contracts with the 5 x bidders on the basis of compliance to all the requirements of the tender.
- There appeared to be a huge disparity between prices quoted by recommended bidders, however these are not the prices that will be adopted at contract stage since the Accounting Officer would conduct mini-competitions through the Request for Quotations method for Call-Off Contracts among recommended bidders to obtain prices that will result in the achievement of value for money in line with section 4 of the PPDPA Act.
- This was an Open Framework Agreement therefore the Accounting Officer should be directed to further open up the procurement process so as to onboard more suppliers on the Framework Agreement by re-advertising the requirements.

Accordingly, the SPOC through SPOC RESOLUTION 0691 of 03 October 2024, having reviewed the Accounting Officer's submission in terms of section 54 (10) of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], RESOLVED on Tender No. KDMC/CMPT/02/2024 as follows: -
