RE: REQUEST FOR REVIEW BY THE SPECIAL PROCUREMENT OVERSIGHT COMMITTEE (SPOC): TENDER NO. UBH/FRAM01/2024 -SUPPLY AND DELIVERY OF SURGICAL SUNDRIES

Your minute dated 12 September 2024 refers.

At the Special Procurement Oversight Committee (SPOC) Meeting No.36 of 2024 held virtually on 24 October 2024, Members observed the following: -

- The Accounting Officer's procurement process was for the Supply and Delivery of Surgical Sundries to UBH/FRAM01/2024 using Framework Agreements and Subsequent Call-off Contracts.
- The Accounting Officer adopted the Framework Agreement Method in line with section 21(2) and section 30 of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], as read with section 11 of the Public Procurement and Disposal of Public Assets (PPDPA) (General) Regulations whereby suppliers will be engaged through call-off orders on an as and when required basis at varying prices.
- This was a process for establishment of an Open Framework Agreement and the Accounting Officer was recommending to shortlist 5 x compliant bidders for a period of 3 years.
- There seems to be a huge disparity in prices quoted by the participating bidders on some lots, however these are not the prices that will be adopted considering that the Accounting Officer will engage the recommended bidders for a secondary process where further scrutiny on prices will be conducted and award shall be based on the most economic offer after due diligence on prices to ensure value for money is attained on the process in view of section 4 of the PPDPA Act.

Accordingly, the SPOC through SPOC RESOLUTION 0768 of 24 October 2024, having reviewed the Accounting Officer's submission in terms of section 54 (10) of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], **RESOLVED** on Tender No. UBH/FRAM01/2024 as follows: -
