**RE: REQUEST FOR REVIEW BY THE SPECIAL PROCUREMENT OVERSIGHT COMMITTEE (SPOC): TENDER NO. UBH/FRAM12/2024 - SUPPLY AND DELIVERY OF PHARMACEUTICAL DRUGS UNDER FRAMEWORK AGREEMENT**

Your minute dated 31 October 2024 refers.

At the Special Procurement Oversight Committee (SPOC) Meeting No. 39 of 2024 held virtually on 21 November 2024, Members observed the following: -

- SPOC Resolution 0709 of 10 October 2024 “Did Not Certify” to the best of its knowledge and ability, that the Accounting Officer’s proposal to cancel Tender No. UBH/FRAM12/2024 for the Supply and Delivery of Pharmaceutical Drugs under Framework Agreement withstood scrutiny, due to the fact that there were compliant bidders on the process.
- The same resolution referred the matter back to the Accounting Officer for corrective action to be taken of re-evaluating the tender in view of the observations made by members.
- The following observations were made on the Accounting Officer’s submission deliberated through SPOC Resolution 0709 of 10 October 2024: -
  - The Accounting Officer’s process was an open Framework Agreement;
  - The Accounting Officer reported that after analysing the submissions of two successful bids, it was observed that the bidders were not quoting most or all of the items required. The Accounting Officer further reported that Tirikwese Trading P/L t/a KDB quoted 5 out of 200 items while Pharmadist P/L quoted 19 out of 200 items.
  - The Accounting Officer was recommending to cancel the tender due to value for money concerns in view of section 4 (1) (c) of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], however this was the primary process to a Framework Agreement process where the actual prices will be considered at the secondary stage.

Tlu

- The Accounting Officer should consider shortlisting compliant bidders i.e., Aravas Pharmaceuticals P/L and Tirikwese Trading P/L t/a KDB on the items they provided quotes since award will be done using call off contracts at the secondary stage where mini competitions and due diligence will be conducted and further to that since this was an Open Framework Agreement the Accounting Officer has room to enrol additional bidders on the process, thereby subjecting the process to more competition.
- The Accounting Officer complied with the orders of SPOC Resolution 0709 of 10 October 2024 and was now recommending to enter into a Framework Agreement with the 2 x bidders on items they submitted compliant quotes for a period of one (1) year.

Accordingly, the SPOC through SPOC RESOLUTION 0709B of 21 November 2024, having reviewed the Accounting Officer's submission in terms of section 54 (10) of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], **RESOLVED** on Tender No. UBH/FRAM12/2024 as follows: -
