RE: REQUEST FOR REVIEW BY THE SPECIAL PROCUREMENT OVERSIGHT COMMITTEE (SPOC): TENDER NO. UBH/FRAM13/2024 - SUPPLY AND DELIVERY OF LABORATORY REAGENTS, ACCESSORIES AND DRUGS USING FRAMEWORK AGREEMENTS AND SUBSEQUENT CALL-OFF CONTRACTS

Your minute dated 12 September 2024 refers.

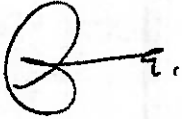

At the Special Procurement Oversight Committee (SPOC) Meeting No.35 of 2024 held virtually on 10 October 2024, Members observed the following: -

- The Accounting Officer's procurement process was for the Supply and Delivery of Laboratory Reagents, Accessories and Drugs using Framework Agreements and subsequent Call-Off Contracts.
- The Accounting Officer adopted the Framework Agreement Method in line with section 21(2) and section 30 of the Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], as read with section 11 of the PPDPA (General) Regulations, whereby suppliers will be engaged through call-off orders on an as and when required basis at varying prices, for a period of one (1) year.
- The prices on the Financial Schedule will not be used as the final contract price since there is going to be a secondary bidding process which will cater for further qualification including price evaluation among shortlisted suppliers through the Request for Quotations Method for award of call-off contracts in order to achieve value for money in line with section 4 of the PPDPA Act.
- Devices & Disposables P/L t/a DMD Healthcare quoted for 17 items only against the full list of 110 items, while Diamed P/L quoted all items.
- The Accounting Officer was proposing to enter into a Framework Agreement for a period of one (1) year with 2 x compliant bidders on the process.
- This was a procurement process for the establishment of an Open Framework Agreement as indicated under section 1, Clause 1.18 of the Standard Bidding Document, hence the Accounting Officer was further proposing to further open up the procurement process so as to onboard more suppliers on the Framework Agreement by re-advertising the requirements within 90 days.

Accordingly, the SPOC through SPOC RESOLUTION 0719 of 10 October 2024, having reviewed the Accounting Officer's submission in terms of section 54 (10) of the Public Procurement and Disposal of Public Assets (PPDPA) Act [Chapter 22:23], **RESOLVED** on Tender No. UBH/FRAM13/2024 as follows: -

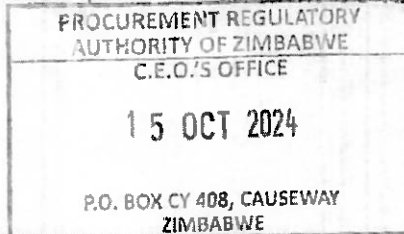

You are therefore advised to proceed as follows: -

1. Take all necessary steps as directed by the resolution.
2. In all communications, please quote the above SPOC RESOLUTION number and the date.
