**REF: COMPETITIVE BIDDING: HVAC SYSTEM UPGRADE AT MABVUKU DEPOT:  
NOIC/ME/HVAC/41/2024**

Reference is made to above captioned competitive bidding and your bid submission relating to the same.

The National Oil Infrastructure Company of Zimbabwe (Private) Limited, (NOIC) after all due processes of Evaluation committee and Procurement Management Unit, has the pleasure to advise you that your bid was successful for the contract for the HVAC system upgrade at Mabvuku Depot at a tender sum of USD96,105.50

You are required to pay contract administration fee of USD961.05 before contract signing. This is in line with PART VI of the "Fifth Schedule (*Section 92*) of Public Procurement and Disposal of Public Assets (General)(Amendment) Regulations, 2022 (No. 4). This is payable at the prevailing interbank rate to the Procurement Regulatory Authority of Zimbabwe. You are therefore required to provide proof of such payment in the form of a PRAZ Certificate before contract signing.

NOIC will draft and issue a contract and an order within fourteen (14) working days of you having received this communication and made the above payments. If you are agreeable to this award, kindly acknowledge receipt and accept the award in writing through this platform.

Yours faithfully,

**PORTIA KAMBARAMI**  
**PROCUREMENT MANAGER**
